A JOURNEY THROUGH
THE HISTORY

OF THE TRADITIONAL TO THE MODERN

Dedicated to the history of the convents and the foundation of Portugal, this four-star hotel integrates the Collection concept, which stands out for its quality service. Vila Galé Collection Braga results from the rehabilitation of the former São Marcos hospital, classified as a property of public interest, dating from 1508 and built where there used to be a hermitage devoted to São Marcos, a hostel and a Templar convent. Respecting the historical aspect and the architecture of the venue, it preserved the existing structure and restored some elements, such as the original vaulted ceilings.
