A BOUTIQUE HOTEL LYING BY THE DOURO RIVER

Themed after the art of painting, this boutique hotel stands just opposite the Douro, with a superb view of the river. Completely integrated into the urban reality of Cais das Pedras, it draws on its proximity to the riverside area of Porto. The hotel's reception and lobby keep a strong relationship with the river, allowing guests to enjoy the views. In some rooms, the windows restfully contemplate the Douro river. About 15 kilometers from the Sá Carneiro airport, Vila Galé Porto Ribeira is just a few minutes away from the historic center and the main tourist attractions, but also from Lordelo do Ouro, a picturesque fishing area.
