LOCATED IN THE HISTORIC CENTER OF RIO DE JANEIRO

“Inspired by the themes of Bossa Nova and Luso-Brazilian culture, this hotel is composed of the small palace from the late 19th century which was the object of a magnificent recovery and two building blocks that were added thereto: a convention center and a 13-floor building where most of the 292 apartments are located. During your stay, don't miss the famous Lapa Arches, the Museum of Image and Sound (Museu da Imagem e do Som), the Selarón Steps and the Nossa Senhora do Carmo da Lapa do Destino Church, as well as other monuments and museums near the hotel. This hotel's privileged location also has the advantage of providing an easy access to the airport, to the Maracanã stadium and the Sambadrome.”
